PC Version UPDATES:

You can install and use the PC version software for a period of 10 years. Small updates to the software will be posted online for easy download. Larger updates will be distributed via U.S. mail as they become available. Free updates may be obtained for up to 12 months after your initial purchase. After the free update period you may upgrade the software at 30% of the original purchase price.

DVD Edition UPDATES:

Any future updates or revisions for the DVD Edition can be purchased for \$5 per DVD with trade-in of old version. If future content grows beyond a single DVD's storage capacity, the update price will be per DVD. Example: An upgrade to a 2-DVD set would cost \$10.

NOTE: All pricing is for North American distribution only.

Pricing 2008

OPTION B:

Reduced Pricing through HunterExam.com

HE Tools - PC Version & DVD Edition

Statewide license*	\$995.00
--------------------	----------

Details:

In order to receive this reduced pricing, license holder must agree to utilize and promote an online Hunter Education course available through HunterExam.com. This is a non-exclusive agreement which means you may have other online courses available to your students.

For more information about the online course and customizing the course to your state's needs for free, please contact:

Kerry Moher
HunterExam.com
Toll-Free: 1-877-722-8838 x 222
Email: kerry@hunterexam.com
Web Site: www.hunterexam.com

License holder will receive 50 PC & 50 DVD versions of HE Tools (or any combination totaling 100 units). Additional copies of either version may be purchased for \$5 per unit. License holder may replicate and distribute the PC version within the licensed state or province. It is NOT recommended to copy the DVD version because of playback performance issues with DVD-R/DVD-R media.

Upgrades:

License holder may continue to use the product indefinitely without upgrading. Yearly updates will be available to license holder for \$995 as long as the state or province is utilizing the HunterExam.com online course.

NOTE: All pricing is for North American distribution only.
